What if...

...the bodywork on your shiny new car gets chipped, dented, scuffed or scratched or your alloys get scraped? Let's face it, everyday wear and tear like this is hard to avoid, no matter how careful you are. Best to invest in SMART Protect Plus from AutoProtect.

Significant benefits

As the name suggests, SMART Protect Plus is a policy designed to help you keep your car in perfect condition, without compromising your no-claims bonus. So your vehicle's bodywork and alloys will remain in great condition, and when you come to sell it – should you ever wish to – its resale value is maintained.

How SMART Protect Plus works

Contact our Customer Service team to validate your claim and arrange for one of our expert repair technicians to come to you at home or work at a time that suits. The best way to submit your claim is via our SMART app but if you prefer you can go online or give us a call.

Trusted experts

With the repairer's state-of-the-art bodywork repair technology, chips, dents, scuffs or light scratches can be erased on the spot*. All work is guaranteed for three years, and our streamlined claims-handling procedure is the best in the business.

Real peace of mind

SMART Protect Plus from AutoProtect is designed to help you keep your car in tip-top condition. Your sales consultant can tell you all you need to know about the product and the company that provides it. So please don't hesitate to ask.

Damage assessment

SMART Protect Plus covers scuffs and dents up to 15cm in diameter and light scratches up to 15cm long. Chips of up to 1.5mm are also covered. Alloy wheels should not be cracked or dented*.

Why choose SMART Protect Plus?
